Presents

## Three Day Philosophy and Problem Solving Workshop

April 30, May 1 & 2, 2010

All phases of competitive obedience training (puppy thru Utility). Learn how to use treats effectively and not have the dog depend on them to perform. Sandy teaches everything in small pieces, while working on issues of respect, attention, attitude, connection, responsiveness and work ethic, by remaining upbeat, consistent and insistent at all times.

## Three Day Problem Solving Workshop

August 6, 7 & 8, 2010

This workshop is strictly problem solving. The handlers decide what they would like to work on with their dogs. Everyone is worked on an individual basis. All levels of training are covered.
